## **America and Americans and Selected Nonfiction (Penguin Classics) John Steinbeck**

More than four decades after his death, John Steinbeck remains one of the nation's most beloved authors. Yet few know of his career as a journalist who covered world events from the Great Depression to Vietnam. Now, this distinctive collection offers a portrait of the artist as citizen, deeply engaged in the world around him. In addition to the complete text of Steinbeck's last published book, *America and Americans*, this volume brings together for the first time more than fifty of Steinbeck's finest essays and journalistic pieces on Salinas, Sag Harbor, Arthur Miller, Woody Guthrie, the Vietnam War and more. This edition is edited by Steinbeck scholar Susan Shillinglaw and Steinbeck biographer Jackson J. Benson.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
