Conflict is inevitable, in both deals and disputes. Yet when clients call in the lawyers to haggle over who gets how much of the pie, traditional hard-bargaining tactics can lead to ruin. Too often, deals blow up, cases don't settle, relationships fall apart, justice is delayed. *Beyond Winning* charts a way out of our current crisis of confidence in the legal system. It offers a fresh look at negotiation, aimed at helping lawyers turn disputes into deals, and deals into better deals, through practical, tough-minded problem-solving techniques.
