*She'll lead him right into temptation...*

Lately, things have been a little weird for Sloane Barrett—late night crank calls, disturbing images in her inbox, her tires slashed. She tries not to let it bother her. She tries to pretend everything is ok. Then someone breaks into her house and attacks her...and Sloane realizes she needs professional help. Tall, gorgeous and overwhelmingly intense help.

But Sloane knows all too well just how much trouble intense guys can be.

Security Specialist Ciaran Ross's priority is to ensure Sloane is safe. His gut tells him she's in danger, but his feelings for her are pulling his focus. Ciaran has already made the mistake of falling for a client, and the results were disastrous. He won't risk it again. He can't. But running from love is the surest way to get Sloane killed...
