Men of the Manor: Erotic Encounters between Upstairs Lords and Downstairs Lads

The country estate, masters and servants, mystery and intrigue, sex and money. All go hand in hand in these turn-of-the-century tales of what goes on behind the manor's closed doors. Does the master lure the butler to the phonograph room for a romp behind the sofa, or does the stable boy have a tryst with the footman while the lord longingly watches on? Does the aristocrat drop his foppish manners when the butler helps him undress? And do the classes exchange more than pleasantries when the lamps are dimmed and the ladies retire for the evening?

Rob Rosen has gathered the hottest stories of romance and sex between wealthy aristocrats and the hard-working estate staff, all with a pre-World War I backdrop, including the fashion and art and the latest inventions of the day. War is years away, the estates are huge and sprawling, the fashionably elite have too much time on their hands, while the toiling underclass are always on the lookout for a means to a brighter future — no matter whose bed they end up in. Think *Downton Abbey* and *Upstairs, Downstairs*, but with enough sex to make the town vicar blush.
