**Discover Janet's true encounters with spirits from beyond the veil**

Janet Larkin has lived a life full of unexplained events. As a newborn, she died and came back to life. Then her sister drove over her skull with a tractor. And when she was eight years old, she had a conversation with her grandmother, who had died before Janet was born.

In *Surrounded by Ghosts*, Janet recalls her creepiest stories and grapples to make sense of a life overflowing with paranormal phenomena. When she was still a girl, Janet received foreknowledge of a double homicide next door, and then she saw the ghost of one of the victims. While at a Memphis hotel room, she experienced a terrifying demon posing as her husband. She even telepathically communicated with the soul of her unborn daughter. From northern Utah to northern France, Janet's spooky collection takes you on an unforgettable adventure with spirits from beyond the veil.
