When the obligation to become whole is laid upon an individual, the first task he must undertake is to confront his Shadow. *The Shadow's Gift: Find Who You really Are* is about the Shadow contained in each of us, and why we must each join with our shadow, the archetype of darkness and evil in order to become whole. This heroic process is crucial as the projection or denial of the Shadow twists its true meaning into a destructive, counter-evolutionary force. Owning and integrating our shadow allows its transformation in both the world and us

The Shadow is a paradox. While it initially appears to us as loathsome and despicable, it actually contains all our future potentialities for development. Perhaps more than any other, Robin Robertson discusses it from a the perspective of a belief in the inherent potential good of the Shadow and its ability to assist us in our quest for self-actualization.

Robin Robertson draws from stories of real people's lives, the Bible, fairy tales and legends, modern fiction and the work of famed depth-psychologist C. G. Jung as well as his own experiences. His writing is intimate and accessible, and his insights and wisdom are conveyed in anecdotal and easy-to-understand language with clarity and depth.
