As representações sociais e a experiência com o diabetes: um enfoque socioantropológico (Portuguese Edition) Reni Aparecida Barsaglini

A proposta do livro é lançar um olhar diferenciado sobre o diabetes, a partir da sociologia e da antropologia. A obra destaca a importância de ouvir com atenção as pessoas que vivenciam uma condição crônica como o diabetes: essa escuta pode subsidiar intervenções de saúde que sejam mais sensíveis aos aspectos culturais e favoreçam a interação entre profissionais e adoecidos. A pesquisa que originou a publicação utilizou metodologia qualitativa, incluindo consulta à literatura biomédica básica e a documentos de entidades ligadas ao diabetes, entrevistas com pacientes, familiares e profissionais de saúde, e observações em campo (no bairro, na residência e na unidade de saúde).
