This book contains images and stories of some of the Jews who have impacted Solano County. It is not a record of every Jew to pass this way, some of whom may have come intending to shed their Jewish identity by changing their names or converting. Wonderful stories emerged about extraordinary people who made their marks here with few suspecting their Jewish roots, yet they were traceable often because in death they chose to reclaim their heritage. Others came to live as Jews and built an enduring community. The story within these pages travels from the Old World to the edge of Gold Country, where there lives a tenacious, though often invisible, Jewish community.
