This long-awaited second volume of Russell's best letters reveals the inner workings of a philosophical genius and an impassioned campaigner for peace and social reform. The letters, only three of which have been published before, cover most of Russell's adult life, a period in which he wrote over thirty books, including his famous *History of Western Philosophy*. Richly illustrated with photographs from Russell's life, the collection includes letters to Ho Chi Minh, Tito, Jawaharlal Nehru and Albert Einstein.
