Inclusão Escolar: Eis Um Desafio (Portuguese Edition) Leandra Fidélis

Inclusão é uma ação de cidadania intrínseca a todas as políticas sociais básicas, inclusive à educação. A legislação vigente que respalda a inclusão escolar é vasta, garantindo a todos direitos à educação, assentando a importância das instituições adequarem seus currículos, seus métodos, suas técnicas, seus recursos educativos, suas formas de avaliação e organização específica para atender de forma efetiva às necessidades individuais de seus educandos, porque o princípio democrático de “uma educação para todos” somente prevalece nos sistemas que se particularizam em todos os seus alunos. É importante ressaltar que o grande desafio da inclusão escolar é fazer com que a sociedade de modo geral se interesse pela alteração da diversidade para superar discriminações de etnias, de gênero, de preferência sexual, geracional, de moralidade, de eficiência, de classes sociais e outros. Sendo assim, o objetivo deste trabalho é aprofundar estudos através de pesquisa bibliográfica a fim de definir o que é uma inclusão escolar eficaz, abordando os aspectos essenciais referentes ao assunto em questão.
