Taber's Quick Reference for Rehabilitation Professionals F. A. Davis

More than a dictionary...it's an encyclopedia and clinical reference in one. Put the practice-applicable information rehabilitation professionals need at your fingertips with Taber's® Quick Reference for Rehab Professionals.

Just what you need...when you need it. Nearly 15,000 rehab-related terms and 423 illustrations and photographs make this your all-in-one resource...in class, clinic, and practice. And, because it's drawn from the Taber's Cyclopedic Medical Dictionary's database, you can count on it for current, reliable, and comprehensive coverage. Complete definitions ensure you understand the language of medicine and healthcare, full-color drawings illustrate the nuances of anatomy and physiology, concise descriptions and full-color photographs of diseases and disorders provide context, descriptions of etiology ensure you know the cause/origin of a disease/disorder, lists of major signs and symptom alert you to what to look for or anticipate, treatment summaries outline common approaches to care, Patient Care information describes assessment, treatment, and patient teaching for each step in the process and Caution/Safety Alerts highlight information critical to safe patient care.
