The Greener Shore Morgan Llywelyn

At last, the haunting sequel to Morgan Llywelyn's phenomenal epic *Druids*. *The Greener Shore* unfurls the story of a brave and mystical people who learned to manipulate the forces of nature—in order to control magic.

As druids in Celtic Gaul, they had been the harmonious soul of their tribe, the Carnutes. But when Julius Caesar and his army invaded and conquered their homeland, the great druid Ainvar and his clan fled for their lives, taking with them the ancient knowledge. Guided by a strange destiny, they found themselves drawn to a green island at the very rim of the world: Hibernia, home of the Gael.

Here they would depend for survival on an embittered man who had lost his faith—and a remarkable woman who would find hers. Burning with hatred of the Romans, Ainvar can no longer command his magic. But his mantle falls on unexpected shoulders. In a beautiful, war-torn land of numerous kingdoms and belligerent tribes, Ainvar and his beloved wife, Briga, struggle toward an uncertain future. Their companions include the volatile Onuava, widow of their fallen chieftain; Lakutu, Ainvar's dark and mysterious second wife; Ainvar's son, Dara, who seems more drawn to poetry than to combat; and the "Red Wolf," the young warrior who is as close as kin and is determined to find Ainvar's missing daughter.

Other forces are at work in Hibernia as well—the spirits that haunt the island, forces older than even the magic of the druids. Through them Ainvar seeks his redemption . . . as Briga seeks her rendezvous with history.

Filled with the deep feeling, stunning detail, and rich characters that made *Druids* a masterwork, *The Greener Shore* is a superb saga of an amazing world and its wondrous ways—a much-awaited novel that will delight all the devotees of this admired author.

From the Hardcover edition.

From reader reviews:

Kathryn Cannon:

Information is provisions for individuals to get better life, information presently can get by anyone from everywhere. The information can be a information or any news even a problem. What people must be consider if those information which is inside the former life are challenging be find than now's taking seriously which one is appropriate to believe or which one the resource are convinced. If you get the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen in you if you take The Greener Shore as your daily resource information.

Jeff Puckett:

Reading a book to get new life style in this yr; every people loves to examine a book. When you read a book you can get a wide range of benefit. When you read publications, you can improve your knowledge, since book has a lot of information on it. The information that you will get depend on what sorts of book that you have read. If you need to get information about your analysis, you can read education books, but if you act like you want to entertain yourself read a fiction books, these kinds of us novel, comics, along with soon. The The Greener Shore offer you a new experience in studying a book.

Steven Deloatch:

As a pupil exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this The Greener Shore can make you feel more interested to read.

Leslie White:

Reading a guide make you to get more knowledge as a result. You can take knowledge and information originating from a book. Book is composed or printed or created from each source this filled update of news. With this modern era like currently, many ways to get information are available for you actually. From media social such as newspaper, magazines, science publication, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Are you ready to spend your spare time to spread out your book? Or just looking for the The Greener Shore when you needed it?
