Tree of Enchantment: Ancient Wisdom and Magic Practices of the Faery Tradition Orion Foxwood

In Faery Seership the truths we seek can only be found within ourselves, within nature, and within our relationships to nature. At the center of the Faery Tradition lies the Tree of Enchantment: the symbol for these relationships and for the threefold life of humanity. At each level of the tree, there are attending spirit forces that vary from beings of light to beings of shadow, from the ancestors of humanity to the architects of form and nature, from the destiny of our planet to the creation forces of the universe. The tree's roots grow through the lower world, where all life originates and the dead travel, its trunk and lower branches reach out across the middle world, where elemental forces and the four directions guide us, and its highest branches reach the into the upper world and the Star realm.

Weaving together folk tradition and extensive academic research, Orion Foxwood has created an accessible, beautifully written pathway into the Old Religion of Faery Seership. Based on Appalachian traditions, Wiccan studies, Celtic oral traditions, and the Craft from Western and Northern Europe, *The Tree of Enchantment* offers the student of Faery Tradition both introductory and advanced visionary practices and authentic tools to learn to navigate the three realms of humanity. With diligence and an open heart, the reader will learn to cross The River of Blood, pass through The Gate of Awakening, and over The River of Stars.

Destined to become a classic...This is a wise and wonderful book to be studied and savored, its teachings and methods diligently applied. -**Margie McArthur**, author of *Faery Healing: The Lore and the Legacy*; *Wisdom of the Elements: The Sacred Wheel of Earth, Air, Fire and Water*; and *WiccaCraft for Families: The Path of the Hearthfire*

The Tree of Enchantment is a rare and beautiful piece of esoteric writing that is fresh, vibrant, and ready for this age and those to come. It is a true guide for helping mend the rifts and fractures within the self and between the planes of being. -**Ivo Dominguez, Jr.**, author of *Spirit Speak, Castings: The Creation of Sacred Space*, and *Beneath The Skins*

I say this with the deepest conviction and without a tinge of hyperbole: Orion Foxwood is a national treasure. His *Tree of Enchantment* is a brilliant and elegant jewel of modern magical literature and a testament to his genius and insight. -**Lon Milo DuQuette**, author of *Enochian Vision Magick*

Right now, choose your personal ways to get more information about your reserve. It is most important to arrange yourself to make your knowledge are still up-date. Let's try to choose suitable ways for you.

Minnie Weiner:

As a college student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just minor students that has reading's soul or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Tree of Enchantment: Ancient Wisdom and Magic Practices of the Faery Tradition can make you sense more interested to read.
