## **Whitney and Bobbi Kristina** Ian Halperin

Shocking new revelations emerge about superstar Whitney Houston and her only daughter, Bobbi Kristina Brown, in #1 *New York Times* bestselling author Ian Halperin's account of their tumultuous lives.

On July 26, 2015, after nearly six months in a coma, Bobbi Kristina Brown, daughter of musical megastars Whitney Houston and Bobby Brown, tragically passed away at the age of twenty-two. Ever since she was found facedown and unresponsive in a bathtub in her suburban Atlanta home, a media frenzy of harrowing rumors and accusations swirled, particularly around Bobbi Kristina's longtime boyfriend, Nick Gordon, who has been a part of the family since Whitney took him in as a teenager.

But #1 *New York Times* bestselling author and investigative journalist Ian Halperin takes the story much, much further—back to the early days of Whitney's career, exploring the devastating, self-destructive secrets that plagued the singer and led Whitney—and subsequently her daughter—down a dark and dangerous road.

Drawing on evidence from trusted Houston family members, friends, and other inside sources, Halperin paints a portrait of Bobbi Kristina's downward spiral following her mother's death, including drug abuse and abusive relationships. How did Bobbi Kristina end up unconscious in a bathtub, almost exactly three years after her mother's mysterious death? What was her relationship with Nick Gordon really like? How did a childhood in the spotlight as the daughter of controversial pop royalty lead to her troubling fate? Halperin offers readers a fascinating and candid behind-the-scenes look at the glamorous world, personal demons, and never-before-told life of Bobbi Kristina Brown.
