Women's History and Ancient History

Women's History and Ancient History

This collection of essays explores the lives and roles of women in antiquity. A recurring theme is the relationship between private and public, and many of the essays find that women's public roles develop as a result of their private lives, specifically their family relationships.

Essays on Hellenistic queens and Spartan and Roman women document how women exerted political power--usually, but not always, through their relationship to male leaders--and show how political upheaval created opportunities for them to exercise powers previously reserved for men. Essays on the writings of Sappho and Nossis focus on the interaction between women's public and private discourses. The collection also includes discussion of Athenian and Roman marriage and the intrusion of the state into the sexual lives of Greek, Roman, and Jewish women as well as an investigation of scientific opinion about female physiology.

The contributors are Sarah B. Pomeroy, Jane McIntosh Snyder, Marilyn M. Skinner, Cynthia B. Patterson, Ann Ellis Hanson, Lesley Dean-Jones, Natalie Boymel Kampen, Mary Taliaferro Boatwright, and Shaye J.D. Cohen.

This kind of book can be one of one step for you to get success. This book offer you information that probably your friend doesn't understand, by knowing more than other make you to be great people. So , why hesitate? Let us have Women's History and Ancient History.

April Miller:

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just minor students that has reading's spirit or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Women's History and Ancient History can make you really feel more interested to read.
