A Warriors of the Mist Novel (3 Book Series) Alexis Morgan

From Book 1: A cursed destiny. A band of warriors. And one troubled kingdom.

It is whispered in Agathia that the legendary warriors of the mist—cursed by the gods—can be summoned only when a champion is needed and the cause is just. Gideon, their captain, knows this to be the one path that will lead his men to redemption—lest they face an eternity of damnation.

Years have passed since anyone has journeyed to the river's edge, but times are desperate. Oppressed by a cruel guardian whose dark magic threatens to destroy her people, the beautiful and courageous Merewen calls upon the bespelled warriors. In Gideon she finds more than a champion, and in his arms, more than protection. However, their enemies are fighting with a power darker than anything than they imagined, and should Gideon fail, she will lose everything she holds dear—including her heart.
