## **Karmic Relationships: Esoteric Studies, vol. 3 Rudolf Steiner**

During 1924, before his last address in September, Rudolf Steiner gave over eighty lectures on the subject of karma to members of the Anthroposophical Society. These deeply esoteric lectures examine the underlying laws inherent in reincarnation and karma, and explore in detail the incarnations of specific historical figures. For Steiner, this study is of the utmost importance. In this volume, Steiner discusses the karmic relationships within the anthroposophical movement, including the predispositions which lead souls to anthroposophy, the two streams within the movement, plus Rosicrucianism, Arabism, Aristotelianism, the Platonists and the School of Michael.
