Lembranças (Portuguese Edition) Chris Santos

Lembranças é o que guardamos de momentos e pessoas importantes em nossa vida. Elas podem nos fazer retroagir no tempo e nos levar a lugares que se apagaram na existência humana. São fundamentais para a criação da nossa personalidade. Algumas lembranças, no decorrer de nossa história, tentamos deletar para nossa simples preservação. Para o casal Laura e Carlos elas servem de caminho de volta para casa, para os braços um do outro. Traz ela de volta do coma e ele de volta do transe que enfrenta cada vez que sobe no octógono para destruir o fantasma imaginário que destruiu sua vida.
