## M.O.B. Roy Glenn

Travis Burns, aka. Mr. Blue, Jackie Washington, aka Mr. White, and Ronnie Grier aka Mr. Green, live by rules. The first and foremost of these rules is MOB. The rules have serviced them well in what they do to earn a living. They are a robbing crew, who operate under the protection of Mike Black's criminal organization. They rob banks, grocery stores, jewelry stores, and anything else that they can hit quickly and come away with a large return on their investment of time. They are well organized, prepared, and over all else, disciplined. All college graduates and all victims of corporate layoffs and downsizing, they dress down—no flashy jewelry, no expensive cars, nothing that will attract the attention of police and player haters. Life is good until Travis meets Me'chelle Lawrence and falls in love. Now he has to choose between the money and loyalty to his friends, and the woman he loves.
