Using the remaining available stock of the discontinued Polaroid Colorgraph type 691 film, Dominique Nabokov has, over the last several years, photographed the extraordinarily varied living rooms of celebrated New Yorkers. The effect is satisfyingly voyeuristic; the stillness of the living rooms without their inhabitants is both unsettling and thrilling. Some of these riveting images first appeared to wide acclaim in a "New Yorker" photo essay. In this book, she expands this unique series by including over 70 living rooms of well-known New Yorkers.
