James Mann

**The Rebellion of Ronald Reagan: A History of the End of the Cold War** James Mann

A controversial look at Reagan's role in ending the Cold War- from the author of *The New York Times* bestseller *Rise of the Vulcans*

In his surprising new book, critically lauded author James Mann trains his keen analytical eye on Ronald Reagan and the Soviet Union, shedding new light on the hidden aspects of American foreign policy. Drawing on recent interviews and previously unavailable documents, Mann offers a new history assessing what Reagan did, and did not do, to help bring America's four-decade conflict with the U.S.S.R. to a close. Ultimately, *The Rebellion of Ronald Reagan* dispels the facile stereotypes surrounding America's fortieth president in favor of a levelheaded, cogent understanding of an often misunderstood man.
