"Hate me or love me, I get results..."

When Dominic Law left the force for a more lucrative offer from a childhood friend to run his private security firm, he thought that his days of suffering as a police detective were over, and he could sit back and finally live the "good life" and take the cases that he wanted, when he wanted.

Was he ever wrong...

Before he could settle into his cushy new office and flirt with his sexy secretary, simultaneous cases that the firm accepts finds Dominic in the midst of a different set of politics and rules that he thought he escaped when he left the force. A sexy detective assigned to the first case seems to keep his eyes and hands) full, while the other case involves a victim close to his heart and unexpectedly reunites him with a former partner that never forgave him for leaving the force... and her.

From the lustful scenes within the fetish and swingers night clubs, to the relentless heat of the streets that he used to walk as a rookie cop, Dominic is engrossed with solving the cases in a libidinous underworld where the rules are different, and nothing (and no one) is as they seem.

Deviant Intent: Obsession introduces fans of Chronicles of the Nubian Underworld to the former APD detective as the main man in the first of this new "Kink Detective" series, where you never know who or what might turn up next.
