## **Fosca (La Compagnia Brusca) (Italian Edition)** Iginio Ugo Tarchetti

Giorgio, giovane ufficiale dell'esercito, racconta della sua vita e delle due donne che l'hanno cambiata per sempre: Clara, solare, bella e formosa, che gli fa conoscere i piaceri di un amore spensierato, e Fosca, nipote del suo diretto superiore, una ragazza disperata, imbruttita e rovinata dalla malattia, che si aggrappa a lui e che lo trascina con sé negli abissi della sua mente perversa, fino alle più estreme conseguenze. Romanzo seminale della Scapigliatura, "Fosca" è forse il lavoro che più ha contribuito a definire il movimento, ed è una potente rappresentazione di un tema senza tempo: la sempiterna lotta tra amore e morte. Ellera Edizioni lo ripropone oggi in edizione digitale con nuovi apparati, con la consueta attenzione ai dettagli e con un occhio di riguardo ai luoghi in cui la storia è ambientata.
