"Many will be happy to know this long-unobtainable volume on Spurgeon is to be available again. I have collected such books for years but not yet owned this rare book. May the recovery of Spurgeon's memory lead many to the devotion to Christ which so marked his life!" Rev. Iain H. Murray; "Collectors of Spurgeonalia will be delighted to have access to this once inaccessible volume. More importantly, because of the funerary contents, it will provoke reflection on the life and ministry of a choice servant of God, which may in turn prove to be of profound assistance to us as we assess the substance, faithfulness and intensity of our own Christian life and service." - Ligon Duncan "When a book of such rare quality is republished it must be read, not just for the sake of reading it, but for the purpose of the enormous spiritual enrichment it will give to anyone who take the time to get into it's wealth of content. To read this gem will leave the reader moved to worship the source of all truth, God Himself." - Pastor Martin Holdt "Spurgeon lovers, and what Christian minister is not, will find great satisfaction in this volume. That even after his misrepresentation by his peers, Spurgeon generated such amazing response even in his death bears testimony to the power and depth of his influence. This volume shows that the power of the gospel is pervasive in every area of life and pursued with faithfulness will change the landscape of culture and Christian ministry." - Dr. Tom Nettles
