When one of his father's inventions teleports him into the game, Gameknight is forced to live out a real-life adventure inside a digital world. What will happen if he's killed? Will he respawn? Die in real life? Stuck in the game, Gameknight discovers Minecraft's best-kept secret, something not even the game's programmers realize: the creatures within the game are alive! He will have to stay one step ahead of the sharp claws of zombies and pointed fangs of spiders, but he'll also have to learn to make friends and work as a team if he has any chance of surviving the Minecraft war his arrival has started.

This action-packed tribute to the worldwide computer game phenomenon is a runaway publishing smash and the perfect companion for Minecraft fans of all ages.
