The Death of Yorik Mortwell

Stephen Messer

The Death of Yorik Mortwell Stephen Messer

Inspired by the artwork of Edward Gorey, *Windblowne* author Stephen Messer delivers a mock-Gothic tale about poor Yorick (alas!), son of the Gamekeeper at venerable Ravenby Manor, who meets an untimely demise—in chapter one! Worry not, dear reader, for Yorick returns in ghostly form, intent on revenge. In the course of his hauntings, however, ghostly Yorick discovers that all manner of otherworldly creatures inhabit the manor grounds, and that he has a part to play in saving not only his still-living orphan sister but also the manor and everyone in it.

For every young reader who enjoyed the dour dalliance of *A Series of Unfortunate Events*, here is Stephen Messer's playful homage to the poor orphans of Charles Dickens, the bleak poetry of Edgar Allen Poe, and the exaggerated characters of Roald Dahl.

From the Hardcover edition.
