- Unleash the true power of Captivate by using widgets variables and advanced actions

## In Detail

Adobe Captivate 7 helps you rapidly author a wide range of interactive and HTML5-based e-Learning content with minimum programming. With Adobe Captivate 7, you can capture the on-screen action and also enhance your e-Learning projects by including animations, videos, Smart Shapes, buttons, and drag-and-drop interactions.

This book is a perfect introduction to Adobe Captivate 7. It will help you get started with the tool quickly and efficiently. This book demonstrates each and every feature of Adobe Captivate 7 giving you the expertise you need to create and deploy your own professional-quality e-Learning courses. You will be able to publish your work in various formats virtually on any desktop and mobile device.

This book will guide you through the creation of four e-Learning projects including a demonstration, an

interactive simulation, a YouTube-like screencast, and a SCORM compliant quiz. The first part of the book will drive you through the three main steps of the Captivate production process. In the first step, you will use the powerful capture engine of Captivate to generate the slides and screenshots required for the project. In the second step, you will enhance your slides and screenshots using the objects provided by Captivate. These objects include animations, sophisticated interactions, videos, sound, and more. In the third step, you will make your projects available to the outside world by publishing them in various formats including Adobe Flash and HTML 5 so that you content can be played back on every desktop and mobile device. The second part of the book will focus on the advanced tools of Captivate. These tools include the questions slides that make up a quiz, SCORM, AICC, and Tin Can compliance, localization of your e-Learning content and widgets among others. In the last chapter, you will unleash the true power of Captivate by using the variables and the advanced actions to create a unique e-Learning experience.
