New England Gardener's Year: A Month-by-Month Guide for Maine, New Hampshire, Vermont, Massachusetts, Rhode Island, Connecticut, and Upstate New York Reeser Manley, Marjorie Peronto

This comprehensive full-color what-to/when-to/how-to reference manual covers every garden and landscape planting including the most proven and popular as well as many native New England plants that deserve to be better known. Month-by-month guidance from March through October--with suggested dates for planting and tending adjusted for each zone--is augmented by advice on such topics as soil testing, composting, pruning, landscape design, and how to provide a season-long source of pollen and nectar for beneficial insects. Gardeners will find advice and photos for adapting to any microclimate or situation including shade; wet soil; coastal landscapes; container, raised-bed, and extended-season gardening; and much more.

Gardeners and landscapers will treasure this book for its elegant writing and full-color photography, its photo-essay tours of outstanding owner-maintained gardens throughout New England, its focus on organic methods and native plants, and its guidance on integrating gardens of every variety into their surrounding landscapes. Photo sequences of key techniques enhance the book, which is designed and indexed to provide instant access to the information a gardener needs at hand.

This reference manual is ideal for gardeners in Maine, New Hampshire, Vermont, Massachusetts, Rhode Island, Connecticut, and Upstate New York.
