Special Forces: Gay Military Erotica

Wherever a man slides into his BDU's and shoulders an M16, there's another man looking to take both off him — and people who want to read about it. These sexually charged stories show military men in every branch of the service getting down. *Special Forces* is set in the heat of battle, public or private, where fear, urgency, and uncertainty lead to unexpected intimacy and release, where anger and terror fuel desire and attraction. The seasoned authors here, some of whom served in the military themselves, do not shy away from the hard realities of the fight, but allow it to heighten the eroticism. The collection includes Jack Fritscher ("Wild Blue Yonder"), T. Hitman ("To the Victors Go the Spoiled"), Simon Sheppard ("Stockholm Syndrome"), Jay Starre ("Between Shots Fire"), and many more.
