## The Site: A Personal Odyssey Robert W. Nero

Poetry or potsherds? That's the surprising dilemma one of Canada's well-known nature writers confronts in *The Site: A Personal Odyssey*, a highly personalized account of a lifetime's involvement as an avocational archaeologist. With deft descriptive powers, Robert Nero leads us gently into this new facet of his amazing spectrum of interests. Not unexpectedly, there even is poetry in his approach to studying prehistoric remains!

From childhood through adolescence, to wartime service with the U.S. Army in the Southwest Pacific, from exploring the vast sand dunes of Lake Athabasca to excavating a 3,000-year-old site he discovered west of Winnipeg, Nero allows us to share his enthusiasm and excitement in outdoor adventures. There is always a wonderful immediacy in his narrative, the mark of a gifted writer, whether expressed in prose or poetry.
