Since 1962, Adventureland has been entertaining and thrilling the Long Island community. The park was constructed in a rural area of Suffolk County around the time of a suburban boom eastward on Long Island, which brought enormous population growth in Nassau and Suffolk Counties. Since its opening, the park has seen significant change, with numerous rides and attractions being moved or retired to make way for newer attractions. Published here are images of the park throughout its entire history, many of which have never been seen by the public before. Adventureland shares early lost attractions and retired fan favorites in full living color, allowing both the young and the young at heart to remember the park in all of its stages, from opening to today.

You are therefore out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these guides have than the others?

Sean Martinez:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Adventureland (Images of Modern America) can make you sense more interested to read.
