This is the first book to the Love trilogy- Twenty one year old Alexia Miller's dreams have come back. These dreams or nightmares as she would like to call them reflect back from her painful upbringing. Alexia's dreams don't stop and she is forced to remember her past. Her drug affected mother and her mother's abusive boyfriend still haunt her nine years later, causing her to re visit Dr. Williams. Alexia never thought she would find the right man for her, or any man at all for that matter. Her trust issues have caused her to build a wall and in her eyes no man is worthy, not after all that she has seen. When she bumps into one of Seattle's most eligible bachelors, Ryan Parker, her whole world as she knows it changes. They are both hiding secrets, which neither of them want to come out. Their secrets will either keep them APART or bring them closer together.
