Exploring the Hamakua Coast (Small Towns Series) Ken Okimoto

In the days when cane was king, the Big Island's Hamakua Coast was the scenic backdrop for tidy plantation towns, billowing fields and bustling sugar mills. Revisit this golden era in the rich anecdotes and rare photographs of this handy, site-by-site guide, the first Big Island volume in Watermark's Small Town Series. Here are 100 photos — historic churches, mom-and-pop stores, field workers, tsunami damage — many of them from private collections and each one keyed to a location on a foldout walking map. Foreword by Hawaii State Representative Dwight Takamine.

This book may be purchased with a companion audio tour compact disc. The CD, produced by Sumo Sound Productions of Hilo, guides travelers in both directions along the coast, with stops at various points of interest. The CD is narrated by East Hawaii residents G-Cruz, Derek Kurisu, Pohai Montague Mullins, Charmaine Kaipo and Ron Kaipo and includes music by Braddah Smitty, Ron Kaipo and Alan Parker

From reader reviews:

Babara Lopez:

Reading can called head hangout, why? Because if you are reading a book particularly book entitled Exploring the Hamakua Coast (Small Towns Series) your thoughts will drift away trough every dimension, wandering in most aspect that maybe mysterious for but surely can be your mind friends. Imaging every single word written in a guide then become one type conclusion and explanation this maybe you never get prior to. The Exploring the Hamakua Coast (Small Towns Series) giving you an additional experience more than blown away your head but also giving you useful info for your better life in this era. So now let us present to you the relaxing pattern at this point is your body and mind will be pleased when you are finished reading it, like winning a game. Do you want to try this extraordinary shelling out spare time activity?

Chuck Deschenes:

Your reading sixth sense will not betray a person, why because this Exploring the Hamakua Coast (Small Towns Series) book written by well-known writer whose to say well how to make book that could be understand by anyone who have read the book. Written inside good manner for you, leaking every ideas and publishing skill only for eliminate your own hunger then you still hesitation Exploring the Hamakua Coast (Small Towns Series) as good book not only by the cover but also by content. This is one reserve that can break don't determine book by its cover, so do you still needing yet another sixth sense to pick this!? Oh come on your reading through sixth sense already told you so why you have to listening to yet another sixth sense.

Randy Gable:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some reserve, they are complained. Just minor students that has reading's internal or real their passion. They just do what the professor want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Exploring the Hamakua Coast (Small Towns Series) can make you experience more interested to read.

Mildred Vang:

Reading a e-book make you to get more knowledge from this. You can take knowledge and information from the book. Book is published or printed or created from each source that filled update of news. Within this modern era like now, many ways to get information are available for you. From media social including newspaper, magazines, science guide, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to spread out your book? Or just looking for the Exploring the Hamakua Coast (Small Towns Series) when you required it?
