With the development of international arbitration globally and London as a leading arbitration centre, the need for knowledge of the subject extends to a wider legal audience. A Practical Guide to International Arbitration in London takes a pragmatic look at how to run an international arbitration with a London seat. It explores on a stage-by-stage basis the tactical, procedural and legal issues that need to be considered in an international arbitration in London from the perspective of the arbitral process, including its relationship with the support given by the English courts.
