Fate of the States: The New Geography of American Prosperity Meredith Whitney

"Forget everything you think you know about the direction of the American economy, about our growing need for foreign oil, about the rise of the service economy and the decline of American manufacturing. The story of the next thirty years will not be a repeat of the last thirty." One of the most respected voices on Wall Street, Meredith Whitney shot to global prominence in 2007 when her warnings of a looming crisis in the financial sector proved all too prescient. Now, in her first book, she expands upon her biggest call since the financial crisis.
