## God, Christ and Us Herbert McCabe

This collection is of Herbert McCabe's sermons and spiritual addresses. Never platitudinous or short of ideas, these chapters are filled with questions, arguments and solid intellectual content. The major influence on McCabe was the Bible but he was also a devoted admirer of the thought of St Thomas Aquinas, whose ideas saturated his public speaking. From the Bible, McCabe derived the notion of God leading us to happiness through the work of grace and through the life and teachings of Jesus. From Aquinas, McCabe derived a hatred of idolatry, a powerful sense of the incomprehensibility of God and a recognition that we depend on God's gracious revelation of himself rather than what we can work out on the basis of our limited understanding. A presiding theme in this book is that we are saved because of the life of someone fully human.
