Recuerdos de la guerra de España (Endebate) (Spanish Edition)

Orwell George

Recuerdos de la guerra de España (Endebate) (Spanish Edition) Orwell George

Un documento de enorme valor histórico y literario en el que el autor narra sus días en el frente y retrata un tiempo que no debiéramos olvidar.

Recuerdos de la guerra de España se publicó en 1942, en pleno apogeo del nazismo y pocos años después de la victoria de las tropas de Franco en la Guerra Civil. La inquietud de George Orwell por la rápida expansión de los totalitarismos que marcó sus obras más populares se muestra también en este texto, en el que denuncia la manipulación de la verdad histórica y expresa su preocupación por el conocimiento de las generaciones futuras.
