1986. Cuentos completos (Spanish Edition)

Rodrigo Rey Rosa

1986. Cuentos completos (Spanish Edition) Rodrigo Rey Rosa

Un maestro en el género: este volumen indispensable incluye sus relatos publicados y algunos inéditos.

«El hecho que más me ha parecido premonitorio de la muerte ha sido darme cuenta de que una persona que me gustaba me aburre profunda, infinitamente.»

Muy pocos autores llegan a dominar el género del relato, cercano a la poesía por su brevedad e impacto y del que Cortázar, Bioy Casares o Borges son los grandes maestros en lengua española: Rodrigo Rey Rosa está a la altura de esos clásicos. Perturbadores, sensuales, angustiantes y llenos de suspense, dejan al lector absorto después de leerlos, como si despertara de un sueño o de un golpe. La lectura de cada uno de estos cuentos, pertenecientes a seis libros distintos, hasta los últimos, inéditos y de escritura muy reciente, es una experiencia singular, cercana a un viaje inesperado. El recorrido traza también un retrato literario de la evolución de un autor único.

La crítica ha dicho...

«Una literatura de los sentidos y del conocimiento esencial. Sensual y moral. Leer para disfrutar casi irracionalmente.»

Ernesto Ayala-Dip, *El Correo Español*

«Quizá Rey Rosa hace con su propio país lo que su maestro Paul Bowles con Marruecos: verlo desde una distancia breve pero infranqueable, donde la máxima economía de estilo acrecienta la fuerza de las ambigüedades.»

Edgardo Dobry, *El País*

«Ese estilo que identificamos con los clásicos, donde las palabras son tan esenciales como la tensión narrativa que crean. Añádase asimismo una forma muy peculiar de humor, este buen humor de quien escribe consciente de que una buena historia se apoya siempre en esta zona donde la invención no niega la realidad pero sí la supera.»

J. A. Masoliver Ródenas, *La Vanguardia*

«Una obra extraordinariamente contenida, parca, intrigante. Una literatura a salvo de gestos inútiles, donde la belleza parece nacer de esa curiosa inclinación por el silencio.»

Raphaëlle Rérolle, *Le Monde*

«Una escritura despojada hasta el máximo, en la que ninguna palabra sobra, y sin embargo envolvente y sensual hasta rozar lo obsesivo, casi como un sueño vivido.»

Pere Gimferrer

«Incita al misterio y al final de la lectura creemos haber cerrado en falso una herida.»

Arturo García Ramos, *ABC (Cultural)*

«Una propuesta editorial que consolida una obra severa, de impecable ejecución, y así agrupada es una felicitación para sus adeptos.»

Francisco Solano, *Babelia*
