Rethinking Urban Parks Setha Low, Dana Taplin, Suzanne Scheld

Urban parks such as New York City's Central Park provide vital public spaces where city dwellers of all races and classes can mingle safely while enjoying a variety of recreations. By coming together in these relaxed settings, different groups become comfortable with each other, thereby strengthening their communities and the democratic fabric of society. But just the opposite happens when, by design or in ignorance, parks are made inhospitable to certain groups of people. This pathfinding book argues that cultural diversity should be a key goal in designing and maintaining urban parks. Using case studies of New York City's Prospect Park, Orchard Beach in Pelham Bay Park, and Jacob Riis Park in the Gateway National Recreation Area, as well as New York's Ellis Island Bridge Proposal and Philadelphia's Independence National Historical Park, the authors identify specific ways to promote, maintain, and manage cultural diversity in urban parks. They also uncover the factors that can limit park use, including historical interpretive materials that ignore the contributions of different ethnic groups, high entrance or access fees, park usage rules that restrict ethnic activities, and park "restorations" that focus only on historical or aesthetic values. With the wealth of data in this book, urban planners, park professionals, and all concerned citizens will have the tools to create and maintain public parks that serve the needs and interests of all the public.

From reader reviews:

Mack Washburn:

Book is usually written, printed, or illustrated for everything. You can learn everything you want by a guide. Book has a different type. As you may know that book is important thing to bring us around the world. Alongside that you can your reading skill was fluently. A book Rethinking Urban Parks will make you to possibly be smarter. You can feel far more confidence if you can know about anything. But some of you think that will open or reading some sort of book make you bored. It is far from make you fun. Why they could be thought like that? Have you in search of best book or ideal book with you?

Jesus Sandiford:

The book with title Rethinking Urban Parks has a lot of information that you can discover it. You can get a lot of help after read this book. This book exist new understanding the information that exist in this book represented the condition of the world at this point. That is important to yo7u to know how the improvement of the world. This particular book will bring you inside new era of the globalization. You can read the e-book in your smart phone, so you can read this anywhere you want.

Kay Newberry:

People live in this new time of lifestyle always make an effort to and must have the time or they will get large amount of stress from both lifestyle and work. So , whenever we ask do people have time, we will say absolutely without a doubt. People is human not only a robot. Then we inquire again, what kind of activity do you have when the spare time coming to anyone of course your answer will probably unlimited right. Then do you try this one, reading textbooks. It can be your alternative within spending your spare time, the actual book you have read is definitely Rethinking Urban Parks.

Ella Norman:

Playing with family inside a park, coming to see the water world or hanging out with good friends is thing that usually you will have done when you have spare time, then why you don't try point that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Rethinking Urban Parks, you may enjoy both. It is great combination right, you still wish to miss it? What kind of hang-out type is it? Oh occur its mind hangout folks. What? Still don't get it, oh come on its named reading friends.
