Xorin Balbes created his eight-stage SoulSpace process to help his clients create homes that reflect and celebrate what is essential about their inhabitants. The process works for any budget, anytime, anywhere and results in inspiration, self-discovery, and practical solutions. Through the stages — assess, release, cleanse, dream, discover, create, elevate, and celebrate — you will explore not only the design of your abode but also your own interior: how you think, feel, and sense the world. Empowered with this self-knowledge, you will discover fresh ways to declutter, refresh, and enhance your living space. Xorin's wonderfully unique technique will nurture and transform both your soul and your home.
