Born in the Wayeb: Book One of The Mayan Chronicles Lee E. Cart

Winner in the Best Fantasy/Sci-Fi in the 2015 International Latino Book Awards. A historical fantasy set against the backdrop of the ancient Mayan world, Born in the Wayeb is a riveting tale of magic and intrigue . . .

Deep in the jungle, while drums pound and men dance to keep the evil gods of the Underworld at bay for the five days of the Wayeb, a baby is born. Her birth sends a ripple across the land, alerting Satal, the black witch of Mayapán, of the existence of a new rival.

Fearful of the taint that clings to Na'om's fateful birth, the villagers of Pa nimá shun this child of the Wayeb. She lives her life as an outcast, more comfortable hidden in the liana vines with her pet jaguar, Ek' Balam, than near her neighbors. With the help of her grandmother and the tribe's shaman, Na'om struggles to understand the fearful dreams and visions that have plagued her since birth.

When these dreams turn into living nightmares, will Na'om have the strength to confront the powerful adversary who threatens her life and the lives of those she holds dear?

An immersive blend of facts and fantasy, Born in the Wayeb portrays an ancient world where the veil between worlds is sheer, and the characters must fight to protect those they love.
