When Secret Service agent John Mavio infiltrates a ring of organized crime leaders involved in an elaborate counterfeit money operation, including two violent Irish criminals from Hell's Kitchen, he risks his life to stop what may be the most sinister operation in the country's history. Every step of drugs, booze, and blood brings him closer to his own demise in a gory, dangerous undercover world far removed from his own personal reality, which includes his pregnant wife and terminally ill father. But when these two worlds meet, Mavio must implement every skill he has learned to save himself, his family, and the people of New York City.
