**Shiny Objects: Why We Spend Money We Don't Have in Search of Happiness We Can't Buy** James A. Roberts

In *Shiny Objects*, a cross between *In Praise of Slowness* and *The Tipping Point*, consumer behavior expert Professor James A. Roberts takes us on a tour of America's obsession with consumerism—pointing out its symptoms, diagnosing specific problems, and offering a series of groundbreaking solutions.

Roberts gives practical advice for how to correct the materialistic trends in our lives which lock us into a cycle of financial hardship and stress. *Shiny Objects*, a new *The Paradox of Choice* for the modern reader, is more than a critique of capitalism—it's also an exploration into how we can live happier, fuller, more productive lives today.
