SK - Assassini Seriali (Italian Edition) Liana Fadda

Cosa vedono che noi non vediamo, cosa sentono nell'antro buio della loro mente i serial killer, quando la lama infligge nelle carni il supplizio e l'orrore? Forse il richiamo di una notte che non è mai trascorsa, dove vita e morte, umanità e bestialità, piacere e dolore stanno ancora tutte dentro un bozzolo informe. Psicologia, sociologia e criminologia da anni dibattono alla ricerca di una spiegazione. Ma la causa ultima dei delitti seriali pare non del tutto afferrabile per la scienza. Rimanda al mistero. O a un dubbio raccapriccante, insostenibile per la nostra ragione. Che il serial killer sia un male necessario. Il mostro che assorbe l'orribile dell'umano, ogni residuo di ancestrale animalità che, da quella notte, ancora alberga nei recessi più profondi dell'uomo. Quando un essere, addormentatosi belva, si risvegliò che era uomo.

Un libro sconvolgente basato su fatti reali che racconta l'insostenibile verità sui più efferati crimini seriali.
