Standing before Fire Control Officer Matt Cutter is a five-year-old replica of himself—the son he never knew he had. All Matt wants to do is hug little Davie and make up for the lost years. But forest ranger Andie Foster, the boy's mother whom Matt left behind, is understandably afraid. How can Matt possibly explain the lapse of faith—in God and himself—that drove him away from what he loved most? And will the lovely forest ranger give him a second chance to be a husband and father forever?
