Utopia (Italian Edition) Alessandro Ciorlano

Il libro narra la storia di ciò che è accaduto a Demien dopo un incidente stradale in cui muore la sua ragazza. Lo sfortunato avvenimento lo porta ad uno stato di coma, che però non gli impedirà di vivere emozioni che sente molto vicine a sé, in un mondo utopico da lui creato, e dove, persone e amici, e sentimenti prenderanno corpo e forma. Ma cosa comporterà vivere in un mondo falso, dove si rischia di falsare anche quei pochi sentimenti rimasti perdendo la giusta consapevolezza del reale? Da qui in poi Demien rischierà di trasformare tutto in un gioco pericoloso per la sua stabilità mentale. Demien vive in un clima di speranza, ma dovrà rendersi conto che l'entusiasmo di vivere una realtà irreale, adiacente alla vera realtà è destinato a finire. Fin dall'inizio è conscio di una virtù che è inspiegabilmente trascurata; in effetti, il Demien utopista tratta sempre la società in cui si è riservato di vivere come un tutto unico e tiene conto dei rapporti esistenti tra funzioni, istituzioni e fini di un se stesso sempre uomo, arrivando a suddividere quel tipo di realtà fittizia in una vita fatta di compartimenti. Grazie al se stesso realista giunge dunque a considerare il pensiero utopista come l'opposto dello spirito unilaterale e specialistico, arrivando a sentire lo scenario creatosi non troppo angusto, cosicché il suo essere non avverta quel senso di inadeguatezza nei confronti di una vita che può risultare crudele. Responsabilità, speranza, realismo, scetticismo, scetticismo romantico e positivismo diventano concetti forse troppo lontani per Demien, il quale dovrà accettare il lato oscuro della vita, diventando realista, mutando, così, in essere umano a tutti gli effetti. Alex rimarrà lì ad aspettare che ciò avvenga.

From reader reviews:

Luther Roberts:

What do you with regards to book? It is not important with you? Or just adding material when you require something to explain what you problem? How about your extra time? Or are you busy person? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have time? What did you do? Every person has many questions above. They have to answer that question mainly because just their can do in which. It said that about guide. Book is familiar in each person. Yes, it is proper. Because start from on jardín de infancia until university need this Utopia (Italian Edition) to read.

Meredith Daugherty:

Within this era which is the greater individual or who has ability in doing something more are more precious than other. Do you want to become one among it? It is just simple approach to have that. What you must do is just spending your time not very much but quite enough to possess a look at some books. One of many books in the top record in your reading list is actually Utopia (Italian Edition). This book that is qualified as The Hungry Inclines can get you closer in turning into precious person. By looking upwards and review this reserve you can get many advantages.

Linda Carroll:

As a student exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's spirit or real their hobby. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Utopia (Italian Edition) can make you feel more interested to read.

Jesus Brewster:

Reading a reserve make you to get more knowledge from the jawhorse. You can take knowledge and information originating from a book. Book is prepared or printed or illustrated from each source in which filled update of news. On this modern era like at this point, many ways to get information are available for an individual. From media social similar to newspaper, magazines, science book, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Do you want to spend your spare time to spread out your book? Or just seeking the Utopia (Italian Edition) when you desired it?
