## **Building Regulations in Brief, Third Edition** Ray Tricker (MSc IEng FIET FCIM FIQA FIRSE)

This easy-to-understand pocket book gives those working in the UK or with UK organizations sufficient and practical information to enable them to comply with UK regulations in the simplest and most cost-effective manner possible. It takes away the mystique of the Building Regulations and provides an in-brief guide to meeting its requirements, providing simple and practical information on how the regulations can be easily and cost effectively adhered to.

The author explains the meaning of the UK regulations, their history, current status, requirements, associated documentation and how local authorities and councils view its importance, also emphasising the benefits and requirements of these regulations. This new edition includes the latest revisions to Part P, Part A, Part C and Part E published in 2004 and 2005 as well as highlights from the consultation documents for Part L and Part F.

- Fully updated for revised Part P, Part A, Part C and Part E
- Practical information on how to comply quickly and easily to the regulations
- Each step in the building process detailed, with all regulations explained
