The Way of the White Clouds

Lama Anagarika Govinda

The Way of the White Clouds Lama Anagarika Govinda

Lama Anagarika Govinda was one of the last foreigners to journey through Tibet before the Chinese invasion of 1950. A devoted Buddhist and a spokesman for Tibetan culture, Govinda's luminous and candid account is a spectacular, poetic story of—and a sensitive interpretation of—Tibetan traditions. The Way of the White Clouds is one the twentieth century's classic spiritual autobiographies and an invaluable document about a place and a way of thinking that is virtually defined by its mysteries.

Robert Thurman's perceptive introduction places Govinda's writings in historical context and opens a new door to understanding Tibet, Buddhism, and a man who, Thurman remarks, is "undoubtedly one of the West's greatest minds of the twentieth century, right up there with Einstein, Heisenberg, Wittgenstein, Solzhenitsyn, Gandhi, and the Dalai Lama."
