One of the things I love most about our 'True Stories' section (and by extension, this book) is that readers are so willing to laugh at themselves-they send in what are sometimes very embarrassing stories, because we all know that that's life, especially when you travel." --Erik Torkells, editor, *Budget Travel*

From the French-kissing giraffe to the Coke-drinking camel, *Budget Travel's* "True Stories" feature proves that life when traveling is indeed stranger and funnier than fiction.

Collected by Erik Torkells, editor of *Budget Travel* magazine, these tales of adventuresome calamity and hilarity are an irresistible read. Over 200 true stories are included.

Stories have been submitted by *Budget Travel* readers and many feature real and hilarious vacation photographs from their travels. From the couple in Belize who had a chicken lay an egg in their bed while at an eco resort, to the traveler who accidentally set her hair on fire while lighting a prayer candle, this book proves that the best memories come from moments when your trip is less than postcard-perfect.
