Determined to win Morgan Gatewood's love, Olivia Breedlove lures the decadent man into a game of cat and mouse. Morgan must not only beat Olivia at her own game but stay one step ahead of the scheming vixen once the serial killer has her in sight. Enter L' Amour Immortelles, an affluent brothel, where no one is who they claim to be, and no one is safe. Enter the world of Decadent Deceptions where the hunted becomes the hunter to save the woman he loves. * * * "Loved, loved, loved this book! Did I say I loved this book? I'm in awe of Keta Diablo's gifted writing ability. She paints such vivid pictures with her words, and takes us into a beautiful romance with no lulls or heavy back story. The 19th century time period was given justice in Decadent Deceptions and whisked me away to another world with the imagery, setting, and brilliant dialogue between characters." 5 STARS * * * "Decadent Deceptions is a thoroughly sensuous historical erotic romance. Keta Diablo's rich backgrounds set off the antics of her characters to perfection. With all the misunderstandings of a good romantic comedy and a terrifyingly menacing subplot, the reader will be entranced throughout. I always enjoy Ms. Diablo's work and this book was no exception. It made me realize how versatile she is and look forward to her next release." 4.75 STARS * * * "Ms. Diablo is a master at weaving a tantalizing tale of lust and intrigue and Decadent Deception is no exception to this rule. I just couldn't put the book down." C. Waits Blog, Five Stars * * * This was a hot, erotic read, with a little bit of spicy voyeurism thrown into the mix. The characters Ms. Diablo created were fun, witty and even zany at times. They were a joy to read and I found myself sad when the novel ended just because I loved the characters." Moonlight lace & Mayhem Reviews, Five Stars, * * * "Simply put, I have found myself a new author. I am so surprised she hasn't been picked up by some big publishing companies. She has the talent and the skills to make it big! She was also a wonderful writer to work with in the review process. I personally can't wait to read her other books now that I have found her. This is one author I will be watching for new releases in the future." My Overstuffed Book shelf - Five Stars
